5. Health Warranty

5.1. The warranty period is one year, from date of purchase. This warranty covers against fatal and life altering congenital diseases. This includes severe hip dysplasia which hampers the dog's movement and kidney, heart, pancreas, spine and liver problems of a severe, life threatening or altering nature. If the dog dies within the warranty period, the buyer must pay to have the animal autopsied to determine the reason of the death. If the reason is found to be congenital, the seller will replace the puppy by other with similar characteristics but will not refund money. There is no cash refund of any kind, in full or partial. The replacement puppy will be of equal value.

5.2. The animal must exhibit the congenital defect under its warranty period and the seller must be notified of the problem within two business days by the licensed veterinarian determination and have two reports from two unassociated veterinarians stating the same problem. A puppy with a defect must be returned or euthanized with the prior permission of the seller to qualify for a replacement puppy.

5.3. A returned puppy must be returned to the seller in good condition, other than the specified problem. No replacement puppy will be given if the original puppy has been neglected or abused.

5.4. No replacement puppy will be given if the puppy has been bred, or euthanized without the seller's permission.

5.5. The seller is responsible for trasportation costs to the seller for original puppy. DUBFIRE BULLDOGS USA will be responsible for transportation costs to the buyer for replacement puppy.

5.6. This guarantee applies to the original buyer only and is nontransferable to anybody else other than the buyer signed on the bottom of this page.

5.7. This guarantee does not cover what is considered normal in the bulldog breeds: Cherry Eye, Entropion, "Loose" Hips, Skin Allergies, Elongated Soft Palate, and Collapsed Nostrils. Any kind of parasites, bacteria, or viruses and sicknesses caused by them will not be covered under this warranty. These are also certain disorders that may be caused by environmental factors, for example: allergies, dysfunction, demodectic mange, and other autoimmune disorders that are not covered by this guarantee.

- 5.8. The seller will not be responsible for any reaction to future vaccination.
- 5.9. The seller will not be responsible for any medical expenses incurred associated with any health problem.
- 5.10. There is no guarantee or warranty that the buyer will be able to show or breed the dog regardless of show or breeding potential exhibited as a puppy.
- 5.11. This guarantee does not cover any physical problems which is or could be the result of injury.
- 5.12. This guarantee does not cover the presence of deafness or any kind of hearing problems as this may be the result of many other factors different from genetics such as antibiotic treatments, extremely strong noises, etc.
